MEMORANDUM OF UNDERSTANDING
STOUTLAND R-II SCHOOL DISTRICT
School year 2024 - 2025

This Memorandum of Understanding (MOU), between the Stoutland R-II School District and the Camden County Sheriff's Office, is to establish a cooperative relationship between community agencies involved in handling juveniles who are alleged to have committed a delinquent act over which the school may have disciplinary authority.

The parties agree that this MOU is a collaborative effort among the public agencies named herein to establish guidelines for addressing school-related delinquent acts, defined in this document as "minor school-based offenses".

I. Purpose of Agreement

The Parties agree that students may be held accountable for minor school-based offenses without referral to the juvenile justice system. Further, the parties agree that an MOU delineating the responsibilities of each party involved in making such decisions would promote the best interest of the student, the school district, law enforcement, and the larger community.

The parties further state this Agreement is a cooperative effort among the public agencies named herein to establish guidelines to address school-related misdemeanor delinquent acts, defined in this agreement as minor school-based offenses.

The guidelines in this MOU are intended to establish uniformity in dealing with students who are accused of committing minor school-based offenses, while simultaneously ensuring that each case is addressed on a case-by-case basis to promote a response proportional to the various and differing factors affecting each student's case.

The following definitions govern the terms as used in this MOU:

III. TERMS OF AGREEMENT

1. Graduated Responses to Minor School-Based Offenses

The parties agree that the commission of a minor school-based offense, as defined in this agreement, shall not result in the filing of a juvenile referral alleging delinquency, unless the current offense is the third offense by this student within the preceding 12-month period.

The parties agree that a response to the commission of a minor school-based offense, as defined in this agreement, should be determined using a system of graduated sanction, disciplinary methods, and/or educational programming, before a referral is made to the Juvenile Office. The parties agree this can be achieved by responding in a manner consistent with the graduated sanctions outlined in the Stoutland R-II Student Handbook for Elementary School and/or the Stoutland R-II Junior High and High School Student Handbook.

2. Exceptional Circumstances

Notwithstanding the graduated response system referenced in subsection (1) above, an SRO or other law enforcement officer has the discretion to take a juvenile into custody and submit a referral to the Juvenile Office in exceptional circumstances. This provision is subject to the laws of arrest, which prohibit warrantless arrests for misdemeanors and violations not witnessed by the arresting officer.

3. Emergency Clause

If at any time, and under any circumstance, there is a major, large-scale, or catastrophic event that causes the Sheriff or his designee, to believe the Department needs more or all Officers on hand, the SRO may be temporarily removed from the SRO position. The officer shall be returned to the SRO position as soon as is practicable.

4. Duties during Summer Months or Summer Season

During the Summer Months or Summer Season, when school is not normally in session, the Sheriff or his designee shall have the right to assign the SRO to other duties as appropriate.

5. Duties during School Session

During the school year, the Superintendent and his/her designee will schedule the SRO's work schedule, with the understanding that, if SRO is asked to work more than 42 hours in one week, authorization from the Camden County Sheriff's Office or his designee for overtime pay is required. However, "flex hours" are possible. When the SRO is not at the school due to training, illness, etc., the CRO will be available to make appearances at the school throughout the day and appear if called for a specific reason.

The SRO will abide by the Stoutland R-II Employee Policies per the Handbook. If for any reason the current SRO is no longer able to conduct his duties as SO and there is need to replace the officer, the Camdenton School Superintendent, building principal, and the Camden County Sheriff (or their respective designees) will jointly agree on the replacement SRO.

IV. Duties of the Parties

When the Superintendent or designee believes an incident, as defined in this agreement, has occurred during school-sponsored activities, the Superintendent or designee may consider the following guidelines in determining whether to report the incident:

- a. The age and maturity of the student involved.
- b. Whether the incident involved the use or threatened the use of a weapon
- c. Whether the incident involved sexual misconduct or allegations of sexual misconduct.
- d. The nature and severity of the conduct.
- e. The nature and severity of any injury inflicted on the other person involved.

In addition to these factors, the Superintendent or designee may consider any other factors which he or she determines, in the exercise of professional judgment, to be appropriate under the circumstances. The guidelines listed above shall in no way inhibit the Superintendent or designee from reporting to law enforcement, regardless of whether such conduct constitutes a violation.

The parties agree that in accordance with Missouri law and the District Board of Education Policy, the Superintendent will continue to report all acts which may constitute one of the enumerated offenses set forth in Section 160.261, RSMo, and Section 167.117 (1) and (2), RSMo, except that acts which may constitute third degree assault will be governed by the terms of this Agreement.

Further, in accordance with Missouri law and District Board of Education Policy, the Superintendent will report to the Juvenile Office when a suspension of more than ten (10) days or an expulsion is given to any student who the District is aware is under the jurisdiction of the Juvenile Court.

If the Superintendent or designee determines, in his or her professional judgment, that an individual shall be reported to law enforcement, the Superintendent or designee shall contact law enforcement as soon as reasonably practicable after the Superintendent or designee receives a

report of the incident and has, if necessary, investigated the incident to determine whether the incident necessitates a report. At the discretion of law enforcement, notice may be given to the Juvenile and parent that a referral will be submitted to the Juvenile Office.

If the offense involves a victim, the Stoutland R-II School District shall contact the victim and/ or victim's parent or guardian. If the victim requests action be taken against the alleged perpetrator, the Superintendent or designee shall inform the victim and/or the victim's parent or guardian of their right to contact law enforcement to request a report be made.

The parties further agree that the Juvenile Office will continue to provide notice to the Superintendent when a petition is filed alleging that a student of the District has committed one of the acts enumerated in Section 167.115, RSMo. Such notice will be provided to the Superintendent either orally or in writing no later than five (5) days following the filing of the petition. Further, the parties agree that upon request by the Superintendent or the designee, they will inform the Superintendent when there is an otherwise active case regarding a student in the District in accordance with Section 167.123, RSMo. Such notice shall include a complete description of the case involving the student, the conduct the child is alleged to have committed, and the dates the conduct occurred. The parties further agree they will cooperate with the District and share information with the Superintendent or designee as necessary to protect the safety of District students and staff and to enable the District to implement disciplinary sanctions.

V. Terms of the Memorandum of Understanding

This Memorandum of Understanding (MOU) shall become effective August 8, 2024 and shall remain in full force and effect until such time as the MOU is modified or terminated by either party.

All parties shall comply with all applicable federal, state and local laws, rules, regulations and ordinances.

This MOU shall be construed in accordance with and governed by the laws of the State of Missouri.

Each party agrees that it will not discriminate based on the race, color, religion, gender, disability, national origin, or any other characteristic protected by law.

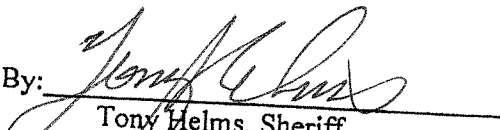

This MOU may be terminated by any party whenever, for any reason, such party determines the termination of the MOU is in its best interest. Termination of service shall be achieved by delivery of a Termination Notice at least thirty (30) days prior to the effective date of the termination.

This MOU constitutes the entire agreement between the parties. This MOU expressly revokes any prior understandings, agreements, or representations of the parties. This MOU may not be modified, supplemented, or amended in any manner except by written agreement of all parties.
