Public Comment

Tom Abbott with the Ozarks Amphitheater had previously approached the commission regarding the issue of traffic backing up on Highway 5 during nights of their events. This past weekend, they had their biggest turnout/show ever with an estimated 8,000 tickets sold and over 2,000 parked vehicles on site. Mr. Abbott stated they utilized Pier 31 Ct (MoDOT Road as some refer to it as) and claimed traffic never backed up on Highway 5. He stated that MoDOT has expressed interest in a cost share project between them, the Ozarks Amphitheater, and the county to make Pier 31 Ct a three lane and utilize as the main entrance to the amphitheater. Commissioner Skelton stated that he believes the City of Camdenton will need to be involved as well and advised Mr. Abbott to meet with the Road and Bridge Administrator to go over plans and ideas for completing the project. There were no motions made on this subject; only discussion.
